after the date of the announcement will depend upon the statutory qualification of the organization as an organization described in section 509(a) (1), (2), or (3).

- (b) Exceptions. (1) Paragraph (a) of this section shall not apply if the grantor or contributor:
- (i) Had knowledge of the revocation of the ruling or determination letter classifying the organization as an organization described in section 509(a) (1), (2), or (3), or
- (ii) Was in part responsible for, or was aware of, the act, the failure to act, or the substantial and material change on the part of the organization which gave rise to the revocation of the ruling or determination letter classifying the organization as an organization described in section 509(a) (1), (2), or (3).
- (2) Paragraph (a) of this section shall not apply where a different rule is otherwise expressly provided in the regulations under sections 170(b)(1)(A), 507(b)(1)(B), or 509.

## § 1.509(b)-1 Continuation of private foundation status.

(a) In general. If an organization is a private foundation (within the meaning of section 509(a)) on October 9, 1969, or becomes a private foundation on any subsequent date, such organization shall be treated as a private foundation for all periods after October 9, 1969, or after such subsequent date, unless its status as such is terminated under section 507. Therefore, if an organization was described in section 501(c)(3) and was a private foundation within the meaning of section 509(a) on October 9. 1969, it shall be treated as a private foundation for all periods thereafter, even though it may also satisfy the requirements of an organization described in some other paragraph of section 501(c). For example, if on October 9, 1969, an organization was described in section 501(c)(3), but because of its activities, it could also have qualified as an organization described in section 501(c)(4), such organization will continue to be treated as a private foundation, if it was a private foundation within the meaning of section 509(a) on October 9, 1969.

(b) Taxable private foundations. If an organization is a private foundation on October 9, 1969, and it is determined that it is not exempt under section 501(a) as an organization described in section 501(c)(3) as of any date after October 9, 1969, such organization, even though it may operate thereafter as a taxable entity, will continue to be treated as a private foundation unless its status as such is terminated under section 507. For example, X organization is a private foundation on October 9, 1969. It is subsequently determined that, as of July 1, 1972, X is no longer exempt under section 501(a) as an organization described in section 501(c)(3) because, for example, it has not conformed its governing instrument pursuant to section 508(e). X will continue to be treated as a private foundation after July 1, 1972, unless its status as such is terminated under section 507. However, if an organization is not exempt under section 501(a) as an organization described in section 501(c)(3) on October 9, 1969, then it will not be treated as a private foundation within the meaning of section 509(a) by reason of section 509(b), unless it becomes a private foundation on a subsequent date.

# § 1.509(c)-1 Status of organization after termination of private foundation status.

(a) In general. For purposes of part II of subchapter F of this chapter, an organization whose status as a private foundation is terminated under section 507 shall be treated as an organization created on the day after the date of such termination. An organization whose private foundation status has been terminated under the provisions of section 507(a) will, if it continues to operate, be treated as a new organization and must, if it desires to be classified under section 501(c)(3), give notification that it is applying for recognition of section 501(c)(3) status pursuant to the provisions of section 508(a).

- (b) Effect upon section 507(d)(1). If the private foundation status of an organization has been terminated under section 507(b)(1)(B) and the regulations thereunder, and:
- (1) Such organization does not continue at all times thereafter to meet

the requirements of section 509(a) (1), (2), or (3) (and is therefore no longer excluded from the definition of a private foundation); and

(2) The status of such organization as a private foundation is thereafter terminated under section 507(a),

then the tax imposed under section 507(c)(1) upon the aggregate tax benefit (described in section 507(d)(1)) resulting from section 501(c)(3) status shall be computed only upon the aggregate tax benefit resulting after the date on which the organization again becomes a private foundation under subparagraph (1) of this paragraph.

#### § 1.509(d)-1 Definition of support

For purposes of section 509(a)(2), the term support does not include amounts received in repayment of the principal of a loan or other indebtedness. See, however, section 509(e) as to amounts received as interest on a loan or other indebtedness.

TAXATION OF BUSINESS INCOME OF CERTAIN EXEMPT ORGANIZATIONS

### §1.511-1 Imposition and rates of tax.

Section 511(a) imposes a tax upon the unrelated business taxable income of certain organizations otherwise exempt from Federal income tax. Under section 511(a)(1), organizations described in section 511(a)(2)(A) and in paragraph (a) of §1.511-2 and organizations described in section 511(a)(2)(B) are subject to normal tax and surtax at the corporate rates provided by section 11. Under section 511(b)(1), trusts described in section 511(b)(2) are subject to tax at the individual rates prescribed in section 1(d) of the Code as amended by the Tax Reform Act of 1969 (section 1 for taxable years ending before Jan. 1,

1971). The deduction for personal exemption provided in section 642(b) in the case of a trust taxable under subchapter J, chapter 1 of the Code, is not allowed in computing unrelated business taxable income.

#### §1.511-2 Organizations subject to tax.

(a) Organizations other than trusts and title holding companies. (1)(i) The taxes imposed by section 511(a)(1) apply in the case of any organization (other than a trust described in section 511(b)(2) or an organization described in section 501(c)(1)) which is exempt from taxation under section 501(a) (except as provided in sections 507 through 515). For special rules concerning corporations described in section 501(c)(2), see paragraph (c) of this section.

(ii) In the case of an organization described in section 501(c)(4), (7), (8), (9), (10), (11), (12), (13), (14)(A), (15), (16), or (18), the taxes imposed by section 511(a)(1) apply only for taxable years beginning after December 31, 1969. In the case of an organization described in section 501(c)(14) (B) or (C), the taxes imposed by section 511(a)(1) apply only for taxable years beginning after February 2, 1966.

(2) The taxes imposed by section 511(a) apply in the case of any college or university which is an agency or instrumentality of any government or any political subdivision thereof, or which is owned or operated by a government or any political subdivision thereof or by any agency or instrumentality of any one or more governments or political subdivisions. Such taxes also apply in the case of any corporation wholly owned by one or more such colleges or universities. As here used, the word government includes any foreign government (to the extent not contrary to any treaty obligation of the United States) and all domestic governments (the United States and any of its Territories or possessions, any State, and the District of Columbia). Elementary and secondary schools operated by such governments are not subject to the tax on unrelated business income.
